

This action plan is put together by people living and working in and around Moortown, Leeds, and is rooted in what we hear local people telling us. We recognise that we can't address all the different priorities that exist in a neighbourhood, but we do try here to identify priorities and actions that we think can achieve better together. It is a living document and constantly evolving.

| Current Identified Priority   | Action 1 with named lead and deadline where applicable   | Action 2 with named lead and deadline where applicable  | Action 3 with named lead and deadline where applicable   | Notes   |
|---|--|---|--|---|
| <b>Improve Communication of Services and Activities Across the Area</b>   |  |   |  |   |
| Increase number of community noticeboards in the area   | Help Meanwood Community Centre find funds for a noticeboard at their fence and install (Mel Bird lead)   | Send costings and location suggestions to Sharon Hamilton for noticeboard to be installed somewhere at the Stainbeck Rd, Potternewton Lane corner (Vanessa Brown lead). Marcia Cunningham will look into who "owns" the land in this area, ie where permission will need to be sought | Create a list of contact numbers that will help people access services such as how to report fly tipping, how to access police services, local support, etc. Email suggestions to Sarah Holdsworth, who thinks the school might be able to help put something together (Sarah Holdsworth lead) | Each noticeboard will need named nominees to be in charge of keeping it up to date, with a commitment from all to support this. |
| Maintain and improve good partnership working, complementing each other's work, avoiding clashes and promoting cohesion | Agencies make use of shared TeamUp Calendar (link sent by email or by request from <a href="mailto:vanessa@interact.uk.net">vanessa@interact.uk.net</a> ). Log activities on the calendar and check for clashes before planning events. Use hyperlinks to connect colleagues to fliers, etc. |   |  |   |
| <b>Community Safety</b>   |  |   |  |   |

|  |   |   |   |  |
|--|---|---|---|--|
| Help people living and working locally to feel safer | Keep sending updates and information to the Community Safety team that's part of the community committee area, chaired by Sharon Hamilton (All) | Work to increase connections and networks across the area, recognising that connection makes a difference to wellbeing and safety (All) | Encourage local people to attend PAC meetings. April 15th and every 6 weeks from there. (All) |  |
|  | Encourage resident sign up to Community Alert<br><a href="https://wypcommunityalert.co.uk/">https://wypcommunityalert.co.uk/</a> (All)          |   |   |  |

**Increase and improve engagement with young people across the area**

Identify activities that might help young people connect with trades and learn skills (lead? All?)

Identify possibilities for offering youth activities between 6-9pm

Youth Service detached work in area is Monday 4-6pm and Thursday til 6.30pm

|   |                               |  |  |  |
|---|-------------------------------|--|--|--|
| Reconnect with Moortown Fire Station (Maureen Lillywhite to lead) | Invite them to these meetings |  |  | Previously did quite a bit of work engaging with young people in our area. |
|---|-------------------------------|--|--|--|

**Better use of spaces**

|   |  |  |  |  |
|---|--|--|--|--|
| Support a wide range of accessible, face to face activities for local residents |  |  |  |  |
