

This action plan is put together by people living and working in and around the Moortown ward of Leeds and is rooted in what we hear local people telling us. We recognise that we can't address all the different priorities that exist in a neighbourhood, so we try to identify priorities and actions that we think can achieve better together. It is a living document and constantly evolving.

Current Identified Priority	Action 1 with named lead and deadline where applicable	Action 2 with named lead and deadline where applicable	Action 3 with named lead and deadline where applicable	Completed
Improve Communication of Services and Activities Across the Area				
Produce flier with key contacts for residents	Identify together at in-person meeting what information we want to include. Headings and subheadings			Increased number of community noticeboards across the area
ACTION UPDATES				
Maintain and improve good partnership working, complementing each other's work, avoiding clashes and promoting cohesion	All partners make use of TeamUp calendar, plus share key events and diary dates at meetings			
ACTION UPDATES				
Community Safety				
Help people living and working locally to feel safer	Keep sending updates and information to the Community Safety team that's part of the community committee area, chaired by Sharon Hamilton (All)	Work to increase connections and networks across the area, recognising that connection makes a difference to wellbeing and safety (All)		
ACTION UPDATES
